

arper

Catifa 46

FEATURES:

- Sleek profile with a crisp, casual efficiency that is designed for contract use and spaces that require a slightly smaller scale

DIMENSIONS:

- W540 x D540 x H800mm (fixed trestle base)

MATERIALS:

- The shell is constructed in doublecurved plywood, mono or bi-color polypropylene, covered in leather, hardleather, fabric or finished with upholstered pads
- The base is available in the following configurations: sled, fourlegs, trestle and five-ways.

Origin: Italy
