Kin

To stay healthy and productive, it is important to lead an active life. We bring movement back to the office. Our Kin range provides the perfect solution with an easy transition between sitting and standing.

Kinnet

Loosing focus during long meetings? Boost team productivity by hosting more short and focused stand-up meetings. With Kinnet, you can choose freely to network in any desired position.

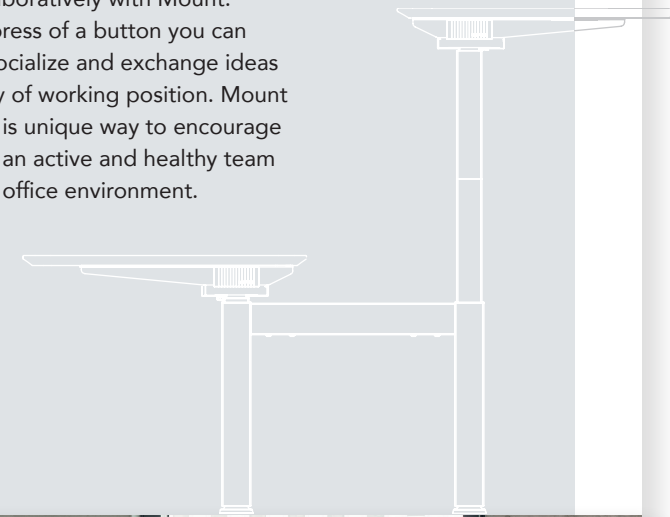

Knest

Knest's vibrant colour selection makes a bold statement. Frames come in two colour combinations. Plus select from eight accent colours to compliment your office decor. Knest is built with precision and consistency – delivering quality you can trust.

Mount

Work collaboratively with Mount. With the press of a button you can interact, socialize and exchange ideas in a variety of working position. Mount is unique way to encourage an active and healthy team office environment.

Hop

Catering to individual needs, Hop is the perfect addition to any modern office set up. This elegant sit-stand desk will keep you moving and turn any space into an active workplace.
