PILLOW
COLLECTION

designed by Stefano Giovannoni

With a cool contemporary air, the PILLOW collection evokes a sense of relaxation, comfort and serenity. The added feature of illumination creates a chic ambience for evening use. Whether used during the day or night though, these pieces are a stylish addition to any space.

VERTEX

Made up of converging triangular planes, the VERTEX collection is designed to integrate more of an architectural element into the surrounding space.

BIOPHILIA

The BIOPHILIA collection pushes the boundaries between structure and form. It combines the influence of the pioneering organic design of Antoni Gaudi with VONDOM'S leading technological expertise. This results in series of products which explore a new design language between time, form and space.

F3

Form follows function. F3 is a unique collection based on mathematical surfaces that have a fluidity of form, creating an elegant, ergonomic seating environment.

MOMA

VONDOM is a leader in the design of avant-garde indoor and outdoor furniture. The collections showcased here are the result of a unique collaboration with major worldwide designers. They each demonstrate the innovation and quality which VONDOM represents.

The MOMA collection seamlessly unites form and function. The outdoor tables combine a modern aesthetic with the built-in practicality of a dual-purpose planter or wine cooler. To add an extra element of glamour, the furniture can be illuminated for use after dark.
