

VONDOM is a leader in the design of avant-garde indoor and outdoor furniture. The collections showcased here are the result of a unique collaboration with major worldwide designers. Each collection demonstrates the innovation and quality which VONDOM embodies. The feature of illumination creates a chic ambience for the evenings.

The BIOPHILIA collection combines the influence of the pioneering organic design of Antoni Gaudi with VONDOM'S leading technological expertise.

F3

F3 is a unique collection based on fluidity of form, creating an elegant, ergonomic seating environment.

AFRICA
The essence of this chair is contained in its simple and natural form.

VERTEX

The VERTEX collection is designed to integrate an architectural element into the surrounding space.

MARI-SOL TABLE
A table combining technology in its function with sensuality in its shape. It is collapsible and comes in different dimensions, allowing it to adapt to any environment... interior and exterior.

DELTA TABLE
Contemporary in design. Made of weather-resistant materials (extruded aluminum tube with cast aluminum base), this table is ideal for use outside.

PEDRERA
This is a chair inspired by the undulating movement of the sea. Its stackable shape is an appealing space saving feature.

SABINAS

The SABINAS chair is inspired by natural fluid shapes. Its outline hints at sand dunes, and the female curve.
