- RED DOT Award for product design 2012

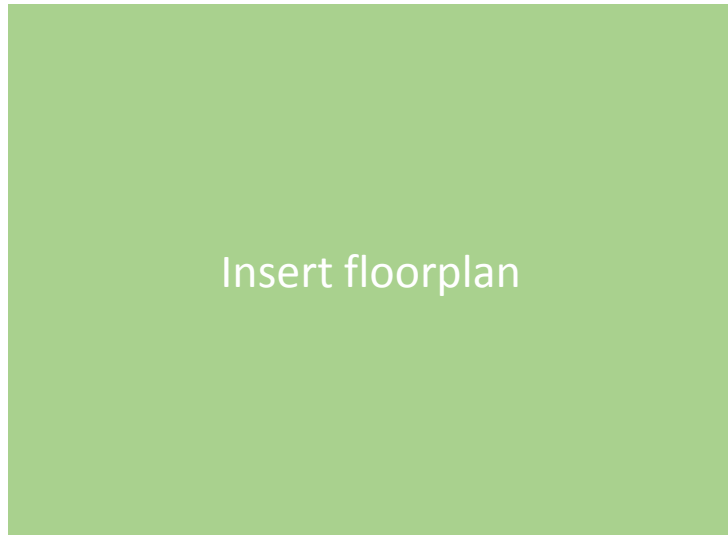

DIMENSIONS:

- W800 x D1200 x H760 x SH440

MATERIALS:

- Fabric upholstery

Origin: Croatia

3ANGLE
UPLIFT

prostoria

Up-lift represents innovation in armchair typology with its integrated bed. Its optimal rounded form is the result of two volumes which rotate around one another, based on the principle of a displaced center, thus creating a harmonious entity in both positions.
